

3 Idea Technology

Translating your
Imagination into Reality

Quality. Not Costly.

Top quality 3D printer filament without the cost

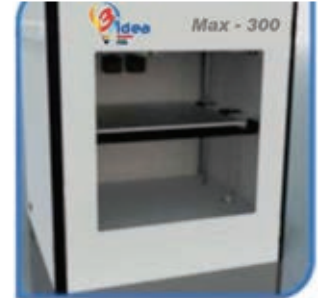

info@3idea.in

www.3idea.in

3 Idea Technology is among the cream of 3D Printer manufacturing companies in India. 3 Idea Technology aims at bridging the gap between ideation and manufacturing by providing high quality and cost effective 3D printers through cutting edge research and innovation. 3 Idea Technology specializes in manufacturing 3D printers and rapid prototyping

3 Idea Max-300 is one of the most advanced 3D printers. Melting Temperature up to 400 degree centigrade. It is able to print with wide variety of materials like ABS & PLA, Nylon, Flex, Metal fills & PVA.

MECHANICAL

Build: Powder Coated Mild Steel
Product Footprint: 51.5 cm x 50.0 cm x 55.0 cm
Available Colors: Matt Black

PRINTING

Build Volume: 300mm x 300 mm x 300 mm
Filament Type: Open Source
Filament Diameter: 1.75 mm
Printable Materials: PLA, ABS, Nylon, Flex, HIPS, PVA, Metal Fills etc.
Nozzle Type: Brass
Nozzle Diameter: 0.4 mm
Bed Leveling: Auto
Bed Type: Heated
Number of Nozzles: Dual
Resolution: 50 microns

SUPPORT AND WARRANTY

Warranty: 1 Year on all electronics and parts
Customer Support: Free for 1 year (1 Month on-site/1 year online)

IN THE BOX

3D Printer
1 kg of filament (colors as per stock)
1 Allen Key Set
1 Roll of Kapton Tape
Cutting Pliers
Glue Stick 1
Power cord 1
USB Cable

CONNECTIVITY

USB I Wi-Fi I Cloud I
Ethernet LCD Touch Screen with SD Card

ELECTRICAL

Power Source: SMPS/ATX Power Supply 450 Watt
Input Voltage: 220V AC

3 Idea Technology LLP

710, C Wing, Trade World, Kamla City,
Lower Parel(W), Mumbai - 400013.
